

VISION STATEMENT

St John's Renfield Playgroup aims to raise the achievement of all our learners by providing a safe, stimulating and happy environment in which all who attend are appreciated for their contribution. We are aware that the children in our care should expect the highest commitment from the staff and those working with them and in order to achieve this goal we undertake to adhere to the principles set out in the Children's Charter for Young people.

We will create an atmosphere where each child is valued both as an individual and as an important member of the playgroup. We will follow Glasgow City Council's education policies and Curriculum for Excellence in our planning for the learning outcomes of the children.

We will work with the parents and stakeholders to ensure that the experience the children receive at playgroup will be of the highest quality and that they can be confident that their child is being encouraged to reach their maximum potential.
